

MR. HARGROVE'S CLASS

- Teacher's Comments -

Albert Belle

Excellent student. Very studious, & intelligent. Capable of accomplishing things never done before. Frequently gives candy bars to classmates.

Class Table Tennis Champion.

Kenny Lofton

Steals frequently but is rarely caught. It's okay, though. I'm telling him to.

Tony Pena

Likes to play with Dennis. Sometimes has been known to yell at Jose at the end of the day.

Gives 100% -
100% of the time!

Omar Vizquel

Lends glove to other Kids at recess. Sometimes, doesn't even use it when he's wearing it!

* Nothing gets
by Omar!

Charles Nagy

Quiet. Serious.
One of the most consistent and productive students I've ever had.

Jose Mesa

We hardly know Jose is around for most of the day. When he does participate, it is at the end of class, and he usually does something spectacular.

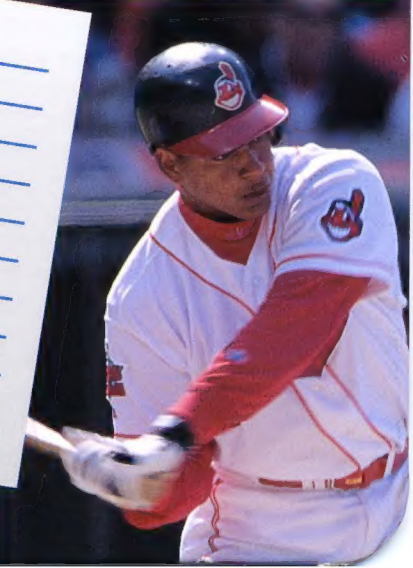

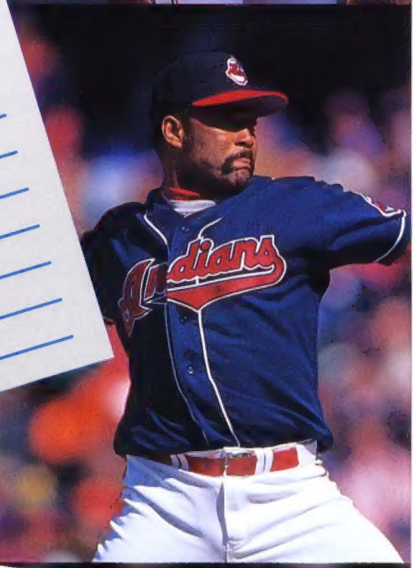

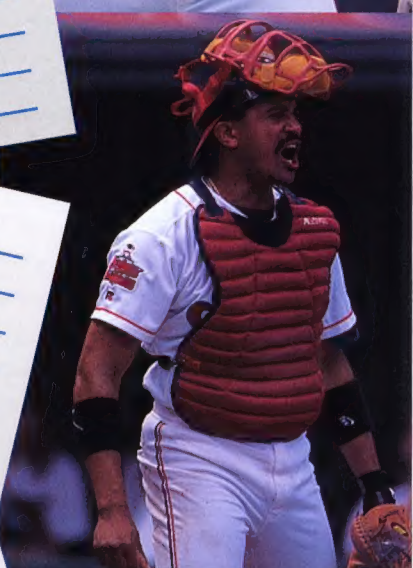

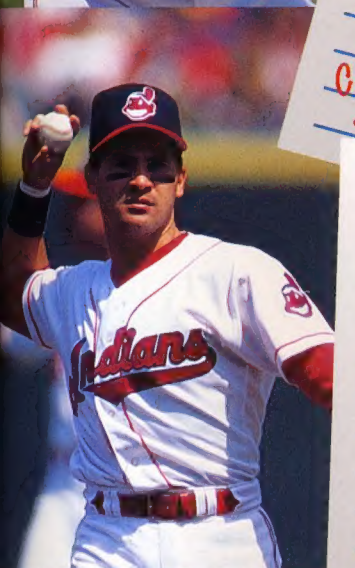

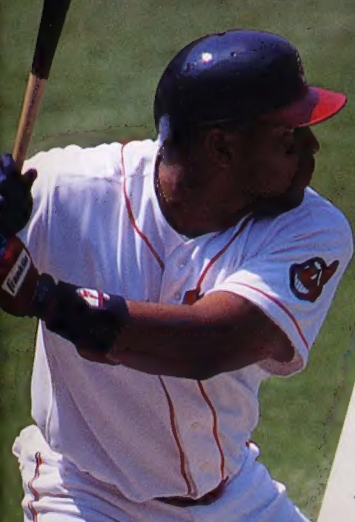

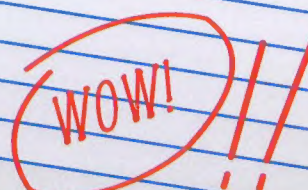

Jim Thome

Hard work and dedication have led to solid improvement every year. Must learn that sometimes it's not polite to point.

A very fast
learner.

Manny Ramirez

No matter what he does, his classmates and other teachers always say "wow."

Elected Class President
by unanimous vote!

- Leads by example -

Jack McDowell

Has adjusted well
for a transfer student. Once he
starts working on something,
Jack wants to stay with it
until it is finished.

*Best Subject:
Instrumental Music.*

Julio Franco

Just transferred back to
my class from Japan.
He's glad to be back,
and I'm glad he's
back here, too!

*Picks up new
assignments quickly.*

Sandy Alomar

Plays a lot with
Charles, Jack & Orel.

*Comes from
a good family.*

Orel Hershiser

Sometimes looks out of place
playing with boys who are
bigger & stronger.

*Always seems to
come out on top.*

Slider

Denied further access to
cafeteria at lunchtime for
shooting hot dogs with
a slingshot.

*Needs to work on
balance in gym class.*

Mark Carreon

An outstanding transfer
student from San Francisco.
A big hit with his classmates.

*Got into the
"swing" of
things quickly*
